Useful Information

1. **Registration**: *Sept 20 @ 15:30 – 19:30* (in the foyer of the conference centre near The Crown conference room). Inside the Riva del Sole it is mandatory to wear the badge.

2. Conference Room: **The Crown** (in the conference centre of the Riva del Sole Resort & SPA, number 7 on the resort map).

3. **Very Important**: *during lessons and Q&A sessions, absolute silence is recommended, you must not make noise, you must not disturb the Lecturer during the lesson or while she/he is answering questions posed by the audience.*

4. **Group Photo:** *Sept 22 @ 13:00 Meeting point: terrace adjacent to the restaurant.*

5. **Resort Map** and **Castiglione della Pescaia Map**.

6. In the program you will find the list of **accepted posters.** The **Poster Session** will be held on **Sept 25 @ 19:00 .** The Poster Session will be held in the **Da Vinci Conference Room** (first floor of the Congress Centre, number 6 on the resort map). *Those who have problems and cannot make the poster, please send us an email now, deadline by September 5th.*

    a. We recommend preparing and printing a poster of **size B0** (1000 × 1414 mm or 39.4 × 55.7 inches) in VERTICAL orientation on the board (avoid landscape orientation). If for some reason the B0 size is not possible, then use the A0 size (841 mm x 1189 mm, or 33.1 inches x 46.8 inches).
    b. **It is not possible to print posters at the course venue. When you arrive at the course venue the posters must already be printed**.
    c. The Summer School Organisers will provide all necessary supplies for mounting the posters (tape, etc).
    d. *The poster boards will be ready each morning from 08:45*. All presenters are asked to hang their posters as soon as possible in the same morning of their assigned poster session. This way all delegates will be able to study them ahead of the poster session and come prepared with specific questions. Presenters are also asked to remove their posters at the end of the session. Any poster left unmanned on its poster boards after the poster session will be removed.

7. Obviously*, we recommend bringing your work laptop*.

8. Participants who need to take an **exam/project/oral to have the 8 ECTS** credited are asked to email acdl@icas.cc and Prof. Nicosia giuseppe.nicosia.1@gmail.com ***Please read the FAQ section "ETCS Credits Recognition"***

9. Inside Riva del Sole Resort & SPA, **badges must be worn at all times**.

10. **For social dinner on the Sept 24, we advise everyone **to dress up** (jacket and tie, suit, etc.).*

11. **Certificates** will be given out on the last day of the course. To receive the certificate you must have at least 85% of class attendance (we have CNNs/Transformers to compute and infer attendance ;-).

12. One last thing do not forget bathing suits, sunscreen, and stay hydrated.

"But don't you see that the whole trouble lies here? In words, words. Each one of us has within him a whole world of things, each man of us his own special world. And how can we ever come to an understanding if I put in the words, I utter the sense and value of things as I see them; while you who listen to me must inevitably translate them according to the conception of things each one of you has within himself. We think we understand each other, but we never really do."

Luigi Pirandello, Six Characters in Search of an Author.
